ABOUT THIS PROPERTY

The design of this Buccaneer Palm is very similar in style to the Four Seasons villas on Nevis. With an open concept kitchen, dining and living room, and fully screened in porches, this villa allows you to enjoy the constant cool Caribbean breezes throughout the day and night.

The upper level is a self contained one bedroom, one bathroom apartment, which rents for US\$1,300 per month plus utilities;

While the lower level features a one and a half bedroom and two bathroom fully self contained apartment, which rents for US\$900 per month plus utilities.

The entire house can be rented for US\$1,800 per month plus utilities.

This property is conveniently located in Farms Estate, Parish of St. John's, within walking distance of two large supermarket chains, two gas stations, a bakery, a laundromat, a gym, a fitness park, department and hardware stores, local restaurants, and the famous hot springs. The 0.46 acre plot of land on which this property sits slopes downwards, with the villa on the highest part to benefit from the magnificent views of Nevis Peak and the Caribbean Sea.

Offered at US\$300,000
